Georgia is a logistics superpower: interstates, Hartsfield-Jackson airport, the deepwater ports of Savannah and Brunswick, and railroads all work together, moving goods and creating jobs.

Name: _____ Date: _____

OBJECTIVE

Explain how the four transportation systems (road, air, water, and rail) of Georgia contribute to the development and growth of the state's economy.

What this standard covers	Your notes
Evaluate the ways in which the Interstate Highway System, Hartsfield-Jackson International Airport, deepwater ports, and railroads interact to support the exchange of goods and services domestically and internationally.	
Explain how the four transportation systems provide jobs for Georgians.	

IN PLAIN WORDS

Georgia is a logistics superpower: interstates, Hartsfield-Jackson airport, the deepwater ports of Savannah and Brunswick, and railroads all work together, moving goods and creating jobs.

Transportation system	Georgia example	One job it creates
Road	The Interstate Highway System	
Air	Hartsfield–Jackson International Airport	
Water	The deepwater ports of Savannah & Brunswick	
Rail		

Pick ONE of Georgia's four transportation systems above. Explain how it connects Georgia's economy to the rest of the country or the world.
